

PLEASE NOTE.....

If there is an early school closure announced on the radio or CCRSB website due to impending weather, etc. please send in a note to inform us of your plan for your child. This will save us from calling 175 families. We have slips as well that we sent home to you last month. Perhaps place them on your fridge as a reminder. Please send a note each time this should occur. We want to know you are aware of the early closure and there is a plan in place. The slip states:

"I understand that today _____ (date) there will be an early school closure at WRC for ____ (time).

My child _____ in _____'s classroom will:

____ follow regular plan for today

____ go on bus to _____

____ be picked up by _____

____ walk home or walk to _____

Parent/Guardian Signature: _____ Contact Number: _____

If school is canceled for the day due to weather conditions it will be posted on the ccrsb.ca website and announced on the Truro radio stations. It is usually announced around 6:30 am. The decision to cancel school is not made at the school level but by the Operations Department of CCRSB. Much consideration is made before such a cancelation is made with the greatest consideration being the safety of all.

Please remind your child(ren) of safety at the bus stops in the am and pm. There should be no "fooling around" that may result in a child falling into the path of traffic.
